

GamLEARN

Lived Experience And Recovery Network

**Have you or
someone you
know committed
a crime to fund
their gambling?**

**We are here to help.
Please contact:
support@gamlearn.org.uk**

What we offer

We offer a personalised service to assist individuals who have resorted to crime to fund their gambling. We understand the challenges you may face and strive to provide you with the necessary support to overcome them. Our goal is to empower you to face your situation with confidence, knowing that you have someone by your side. You are not alone in your journey.

This is what we offer:

- Support from a member of our team who have lived experience of Gambling-Related Harm
- Introduce you to legal experts who have experience of cases related to someone who has gambled
- Connecting you with trusted support and treatment services who will be able to offer additional help and guidance
- Regular meetings to connect with other members

What we offer

Are you affected by someone else's gambling? If so, we offer a personalised support service for individuals affected by someone else's gambling and who are facing gambling-related criminal proceedings. At GamLEARN, we connect you with a lived experience team member to support and guide you. We aim to connect you with support services and others experiencing a similar journey.

This is what we offer:

- Support from a member of our team who has lived experience of being an Affected Other of Gambling-Related Harm
- Referrals and engagement with other support services
- Support with legal meetings and court hearings
- Regular support group meetings

What people say

"GamLEARN has been my rock, strength, and most amazing support through such an uncertain time. I couldn't do this without Tracey and the whole team!"

Grace

"The best kind of environment, no judgement and we are all like a family."

Cassie

"Being supported and understood has changed how I see myself."

LD

"A wrap around service taking care of all the legal criminal justice information, providing legal representation, providing support and more. Being part of GamLEARN has been my lifeline and my recovery would never have been the same."

Jemma

"I was introduced to GamLEARN in one of the darkest times of my life, they have been an important part of my recovery journey. I have been drawn to the strength to face the difficulties that I have and still face today. I don't know where I would be without them."

Tracey E

"GamLEARN have been my strength throughout my recovery! They were there for me without judgement when I hit my rock bottom!"

Leanne

"The same time I found out the meaning of affected other, I also found GamLEARN. I have never been to any support groups for anything before, within the group I have found so much more - kindness, empathy, compassion, understanding, non-judgmental and ultimately friendship. I know I am not alone, and I am truly grateful."

Louise, AO

"In a word GamLEARN for me has meant support. When I say support, I mean support in every which way possible. Without having Tracy, who is also an affected other and understands, I really don't think I would be where I am today."

Bex, AO

"GamLEARN saved my life."

What we do

We are a lived experience and recovery network that supports and empowers those who have experienced Gambling-Related Harm.

With lived experience facilitators, we deliver educational and impactful awareness sessions. We also provide a CPD-accredited course, with input from our members who have lived experience in design and development. These are offered in person or online throughout the UK.

GamLEARN services available:

- Bespoke specialist support for anyone facing gambling-related criminal proceedings
- We deliver a CPD (Continuing personal development) course to professionals in the Criminal Justice System and the legal sector.
- We deliver gambling harm awareness sessions to professional and corporate organisations, public health, construction, education, and more.
- We work with researchers and academics and participate in conferences and events

Gambling blocks

It is important to consider practical barriers when providing support, including affected family members. Combining different types of barriers can increase their effectiveness and improve the overall support system.

Gamstop

Provides a straightforward, efficient, and cost-free method to restrict access to all gambling applications and websites authorised in the UK, for a duration that suits you.

Gamban

Gamban

An internet-based solution that prevents access to gambling apps and websites on multiple devices. This user-friendly tool is accessible at no cost.

MOSES

Enables individuals to voluntarily exclude themselves from nearby land-based gambling premises. This program operates by having participants submit photographs that can be shared with operators, aiding the staff in identifying individuals who have self-excluded from gambling.

Bank Blocks

Most banks now provide the option to restrict gambling transactions by blocking an account or card from being utilised for gambling activity.
